NIT to TEP Firm and Interruptible Restriction for TransGas System
UPDATE

TransGas is providing you with notice of upcoming outages on interconnecting pipelines. The restrictions will result in a significant impact to TransGas and our ability to meet NIT to TEP firm contracts. TransGas is working closely with the associated pipelines regarding timing and volumes impacted. During these planned outages, TransGas will attempt to coordinate system outages to avoid future outages in the area.

There has been an update since the last notice sent on October 6, 2020. Changes below are noted in red.

RESTRICTION:

Gas Days September 29, 2020 – October 10, 2020 TC Energy Restrictions
